FAQ

- **How do I download the TRANSACT mobile app?**
You can download the official TRANSACT mobile app by visiting the [Mobile App page](#) and clicking on the download link provided.
- **How do I log in to the TRANSACT mobile app?**
First-time users should use their registered email and Registration ID (printed on your badge) as the password. Returning users can log in with their registered email and the password created during initial setup. If you've forgotten your password, click on "Email me a password reset link" to reset it.
- **What should I do if I need assistance with the app?**
For troubleshooting within the app, reach out to Grip Support via the contact information provided on the [Mobile App page](#). Additionally, a Grip representative will be available on-site at TRANSACT for in-person support.
- **How can I ensure I have the latest version of the app?** Regularly check for updates in your device's app store to ensure you have the most recent version of the TRANSACT mobile app, which includes the latest features and security enhancements.

NEED HELP?

- Need help troubleshooting within the app? Please reach out to Grip Support via [this page](#). A Grip representative will also be present at TRANSACT for any in-person support needs.
- See something in the app that needs to be updated or isn't working correctly? Please reach out to info@TRANSACTshow.com.

The one show focused solely on the business of payments technology. TRANSACT offers three days of networking, engaging on-floor education, dynamic keynote addresses, and connection points to the largest players in payments.
